Hospitalizations

Census Admissions

Statewide COVID-19 Hospital Census

Total Positive Cases
6,351
Positive tests reflect results from ICDH and results submitted by private laboratories

Total Deaths
245

Total Tested
32,133
Number of tests is provisional and reflects only those reported to ISDH. Numbers should not be characterized as a comprehensive total.

Advisory Level
Advisory level refers to the current guidelines the county must follow. A county must remain at a lower Weekly Two-Metric Score for two consecutive weeks to move down to a lower advisory level.

Weekly 2-Metric Score
■ Blue (0 and .5)
■ Yellow (1 and 1.5)
■ Orange (2 and 2.5)
■ Red (3)

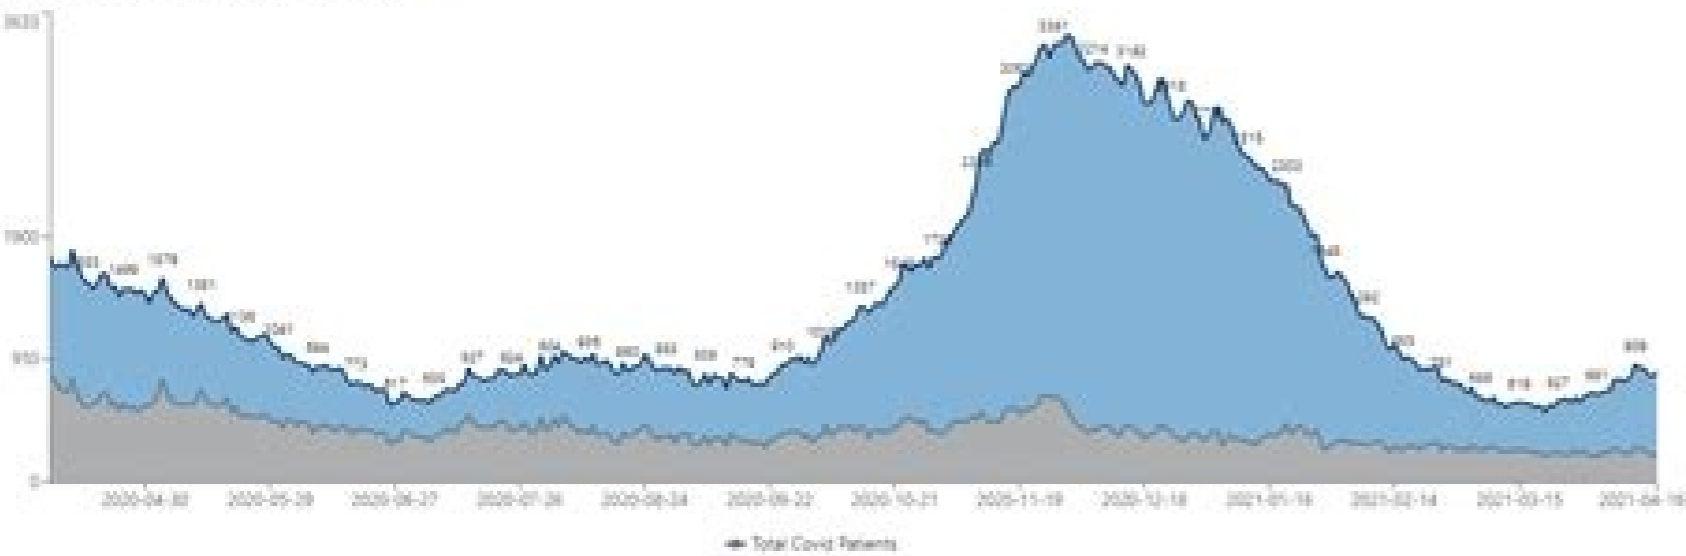

Weekly Cases Per 100,000 Residents
■ Less Than 10 new cases(0)
■ 10 to 99 new cases(1)
■ 100 to 199 new cases(2)
■ 200 or more(3)

7-Day All Tests Positivity Rate
■ Less than 5% (0)
■ 5% to 9.9% (1)
■ 10% to 14.9% (2)
■ 15% or greater (3)

The ▲ indicates a disclaimer alert for the county. Hover over the symbol for additional details.

The commission of consumer services and the regulation of health in Idaho acts as a state licensing research agency and Federal Medicare/Medicaid certification. Read more April 1st: Covid-19-Actualization Reports from April 4, 2022, long-term care installations do not need more to report the results of the assistance point tests (POC) negative. Read more April 7: Update for remedies to COVID-19 Emergency Declaration for Specific Suppliers has issued QSO-22-15-NH & NLTC & LSC , which provides an update for Covid-19 renunciations of emergency declarations for specific suppliers. Each consumer report provides information on installations and entities of assisting Mother. Read more 24 of Mar 2022: Temporary record of care providers of the covid-19 to meet the needs of the in progress of Indiana, Governor Holcomb recently incorporated the registration of emergency room in law with his signature of Bill 1003 of the 2022 Legislative House. New Law, the registration of the extended extended during the duration of the emergency of the Pa. USA. This declaration must be updated every 90 days and was updated for the last time on January 14, 2022. From entrance, Idaho added additional consumer reports to other types of providers. Read more access guidance and the features of the HDI skip for the main containing since 2018, no local zika -transmitted local transmission has been reported in the continental United States. Read more April 8: HRSA offers new PRF reports to HRSA has announced information about the opportunity to request a report from the Late Provider Aulescope Fund (PRF) based on mitigating circumstances for Payments received April 10 and June 30, 2020. detailed information is dispoedable on the HRSA PRF website. Trown memos have been updated, including QSO-22-07-ALL-ALVISED, QSO-22-09-ALL-REVIED and QSO-22-11-ALL-REVIED. This report For nursing homes. Avoid mosquito bites when traveling: Use insect repellent registered in the Environmental Protection Agency (EPA) to protect yourself and your mosquito bites. Wear long - sleeved and long -sleeved shirts treat clothes and equipment with permethrin or buy clothes and equipment treated with permethrin. We are closely monitoring the notion and guidance on Covid-19 and we are working with the Governor's writing, the Department of Saãde and Ahca/NCal of Indiana, to ensure that our Member providers receive the necessary orientation providers To take care of the most vulnerable Hoosiers. Information includes location, contact information, administrators, supplied services and research history. MOTHER MOTHER ERROR REPORTING MOTHER ERROR REPORTING - The Indian Mother Tip Relationship provides the number of serious adverse events reported in hospitals, outpatient surgery centers, abortion clinics and delivery centers. Read another April 5: CMS releases revised guidance on the vaccine mandate that IFR CMS has disclosed interpretive guidance revised for the COVID-19 End Rule (IFR) Vaccine Mandate. The report is produced annually. QUALTTERSNEWSLETTERS OF SERVICE - of Consumer and Regulation Services of the Department of Saãde (IDOH) publish two informative bulletins - the infections and the Assistant Bulletin Prevention Bulletin. long term. AHCA is looking for some clarifications from the CMS and, in the meantime, described the main suggestions and the next steps can be performed to prepare for the close end of the 1135. Most required to report positive or negative antibody test results. The report is based on the serious adverse events of the National Quality Fan. Guidance of the HDI and procedures Updated ICMS standard Other April 13 Resources: Emergency Extenders And the Secretary of Human Services, Xavier Becerra, extended the emergency of the Public Covid-19 for another 90 days. Laboratory NOTICE: HHS Updates Covid-19 Laboratory Reporting Guidance (CDC.gov) 29 of Marion: The FDA authorizes the dose of second driver for elderly and individuals immunocompromised on 29 of Baõ 2022 , US food and medicine administration has changed emergency use authorization and authorized a second dose of pfizer-biontech vaccines reinforcement or modern covid-19 for older individuals as well as certain individuals immunocompromised. -19. It is important to note that the additional dose is not associated with new or additional insurance concerns. This includes rapid and Anthlets tests. Ahea understands the concerns and challenges of the members, as the role of TNA has been misleading for residents' care throughout the pandemic and TNAs, serve as the main support for other rest homes. The CMS will closely specified in two groups: € à à € 6 60 days after the emission of this memorandum - Monday, June 6, 2022 Country of the Fanic Environment (LSC) and Install Code Hall (HCFC) Sates outside the windows and doors of life exercises of security and construct the construction of time assistants paid by LTC training installations for training for training and LTC installation certification of nursing assistants for SNF/NFS-30 days from the emission of this memo, May 7, 2022-2022 - SNFS Task Task Delegation Mother SNFS SNF TIPS MOTHERS © Tips on Qualified Nursing Installations/Nursing Installations Quality Guarantee and Performance Improvement (OAP) Detailed Information Sharing for High Planning for Long Term Care (LTC) Clinic Records Reference for Reference to O Memorandum For Details Esa scaps around each of the categories of Renhance. The Department of Saãde of Indiana (Idoh) (Idoh) Responsible for licensing of installs of health. Visit this Web Page daily to access the latest updates, AHCA/NCAL highlighted the main revisions, but the providers are encouraged to review long -term care and the attachment of qualified nursing installations, revised, as well as the applicable memorandum listed above, for changes detailed. Information includes location, contact information, administrators, supplied services and research history. This Web Page aims to provide access to reports prepared by the relative commission of the Units of Sao. Report. The data sending guidelines for the LTC installation will be updated to reflect this change in the next week when it comes into force. Bulletins are electronically delivered by and email and are dispatable to anyone at no cost. ISDH produces consumer reports to many types of suppliers, including hospitals, nursing homes and palliative care agencies. Owner: Department of Saãde of the State of Indiana (ISDH) (State Agency) If you are traveling out of the continental United States, see travel information information from Zika to learn about your destination. Read more April 8: nearby Steps for installations using 1135 Renhance for Training and Certification Nurse Nurse to CMS QSO-22-15-NH & LSC and confusion about what this means to the ability of the elderly homes for employing temporary nursing assistants (TNAs). Reviews were made to clarify expectations to assess compliance with the requirement to ensure that all employees are vaccinated. The record of health is administered by the Indian Professional Licensing Agency (PLA). The pla anticipates that the emergency record will remain vain June 13, 2022. 2022. 2022.
